Philosophy Of Care

Independence

Our programs emphasize self-reliance within a supportive environment which enhances the residents' quality of life and helps them to feel good about themselves.

Residents maintain and decorate their own apartment with personal belongings. Apartment and mail keys are issued if requested, yet staff will always knock before entering.

Choice

Residents are encouraged to continue to make their own decisions. Our programs and care plans are designed to honor individual preferences by providing plenty of variety from entrée choices to the daily scheduling of care and activities.
